

**Instructions for Assignment of Federal OCS Pipeline Right-of-Way Grant
(Form BSEE-0149)**

1. Forms must be typed and filed in triplicate.
2. The assignment must transfer the pipeline right-of-way grant in its entirety and to only one assignee.
3. Fill in the complete legal description of the pipeline right-of-way grant to be assigned, including the segment number of the associated pipeline(s) and umbilicals, and the name of any associated accessory structure(s).
4. Enter names of all assignors and the assignee. The company number must be identified next to the name of each assignor and the assignee.
5. The service fee required by 30 CFR 250.125 must accompany the assignment request. The assignment must be filed with the appropriate BSEE OCS office within 90 days after the last party executes the assignment agreement.
6. The assignee must be in good standing with acceptable performance as provided under 30 CFR 250.
7. Include other provisions between the assignor(s) and the assignee as Exhibit "A" and attach to the assignment.
8. This form may be duplicated by means of word processing software, but any duplicate which differs from the approved form must be deemed to include any omitted language as if it were the original form.

EFFECT OF NOT PROVIDING INFORMATION - If all required information is not provided, the assignment may not be approved.
